1. The following is an examiner's statement of reasons for allowance: Claims 1-12 are allowable. The crux of the invention lies in the clip structure, specifically in the clip having a body portion with a detent supported on an inner surface of the front of the body portion, opposite the slot and including a post and a shoulder, an engagement member pivotally supported on the inner surface of the body portion, with the member including a lever having an inner end engageable with at least one opening disposed on a side portion of eye wear.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record on the attached PTO-892, and not relied upon, is considered pertinent to applicant's disclosure.
